

SECURITY NOTICE

Information you enter in this online application and send to HCC is secure. However, before you continue, we ask you to think about the computer you are using. Does the computer belong to you or someone else? Information you look at on a computer or enter into a computer often can be looked at later by another person using that computer. If you don't want someone else besides Housing Crisis Center looking at your information on the online application, you might not want to use a public computer, like one at a library. If you are using a public computer, don't forget to completely close the Internet browser when you are done with your application. If you don't, you might accidentally share your personal information with someone else.

IF YOU FEAR FOR YOUR INFORMATION SAFETY we do NOT recommend the use of this online application. Instead, please call Housing Crisis Center at 1-214-828-4244, and we will determine other means of you completing your application for assistance. Housing Crisis Center hours of operation are Monday through Friday from 9 A.M. to 5 P.M.

Please close the browser if you cannot complete the online application now."
